

ONLY YESTERDAY

Richard Carpenter/ John Bettis

After long enough of being alone,
everyone must face their share of loneliness.
In my own time nobody knew
the pain I was goin' through.
Waitin' was all my heart could do.

Hope was all I had until you came,
maybe you can't see how much you mean to me.
You were the dawn breaking the night,
the promise of morning light
filling the world surroundin' me.

When I hold you, baby, baby,
feels like maybe things will be all right.
Baby, baby, your love's made me
free as a song - singin' for ever.

Only yesterday when I was sad and I was lonely.
You showed me the way to leave the past
and all its tears behind me.
Tomorrow may be even brighter than today,
since I threw my sadness away only yesterday.

I have found my home here in your arms,
nowhere else on earth I'd really rather be.
Life waits for us, share it with me,
The best is about to be,
And so much is left for us to see.

When I hold you, baby, baby,
feels like maybe things will be all right.
Baby, baby, your love's made me
free as a song - singin' for ever.

Only yesterday when I was sad and I was lonely.
You showed me the way to leave the past
and all its tears behind me.
Tomorrow may be even brighter than today,
since I threw my sadness away only yesterday.
