

Back in the High life again

Tekst og musik Steve Winwood/Will Jennings

It used to seem to me
That my life ran on too fast
And I had to take it slowly
Just to make the good parts last
But when you`re born to run
It`s so hart to just slow down
So don t be surprised to see me
Back in that bright part of town

I`ll be back in the high life again
All the doors I closed one time will open up again
I`ll be back in the high life again
All the eyes that watched me once will smile and take me in

And I`ll drink and dance with one hand free
Let the world back into me
And oh I`ll be a sight to see
Back in the high life again

You used to be the best
To make life be life to me
And I hope that you`re still out there
And you`re like you used to be
We`ll have ourselves a good time
And we`ll dance till the morning sun
And we will let the good times come in
We won`t stop untill we`re done

We`ll be back in the high life again
All the doors I closed one time will open up again
We`ll be back in the high life again
All the eyes that watched me once will smile and take us in
And we`ll drink and dance with one hand free
And have the world so easily
And oh we`ll be a sight to see
Back in the high life again
