

Don't Let The Sun Go Down On Me

Tekst og musik Bernie Taupin/Elton John

I can't light
No more of your darkness
All my pictures
Seem to fade to black and white
I'm growing tired
And time stands still before me
Frozen here on the ladder of my life

Too late
To save myself from falling
I took a chance
And changed your way of life
But you misread
My meaning when I met you
Closed the door
And left me blinded by the light

Don't let the sun go down on me
Although I search myself
It's always someone else I see
I'd just allow a fragment of your life
To wander free
But losing everything is like
The sun going down on me

I can't find
Oh the right romantic line
But see me once
And see the way I feel
Don't discard me
Just because you think I mean you harm
But these cuts I have
Oh they need love to help them heal

Don't let the sun go down on me
Although I search myself
It's always someone else I see
I'd just allow a fragment of your life
To wander free
But losing everything is like
The sun going down on me
Yes losing everything is like

The sun going down on me
