

# Even Winners Sometimes Lose

*Tekst og musik Jette Torp*

I see it instantly  
As you walk into the room  
You smile so desperately  
To cover up the gloom

We talk a bit `bout nothing, this and that - hey  
We chat a bit `bout anything, and we laugh

While ordering the menu  
I ask if you`re ok  
The way you try to convince me  
Tells me more than the words you say

It seems you decided to be strong - hey  
It seems in your world - weakness is wrong

But even winners sometimes lose  
And even heroes get the blues  
Just forget your foolish pride I´m here for you

I can see it in your eyes  
So please be careful of the lies  
For holdin` out and standin` tall you`ll pay the price - you`ll pay the price

We talk about some old times  
And how we managed when we were young  
I can see how the barriers let go of your heart  
Though you`re fighting to keep it strong

Cause even if it`s painful it`s true - hey  
And even if it`s hard to face - it`s you

Cause even winners sometimes lose  
And even heroes get the blues  
Just forget your foolish pride I´m here for you

You can` t always be so sure  
But life has taught you to endure  
Holdin` out and standing tall that is no cure - that is no cure

You` re always there for everyone who needs a "home"  
And now you wanna build one on your own
