

Find a Way to My Heart

Tekst og musik Phil Collins

Find a way to my heart
And I will always be with you
From wherever you are I'll be waiting

I'll keep a place in my heart
And you will see it shining through
So find a way to my heart
And I will I will follow you

This journey's not easy for you, I know
If your footsteps get too faint to hear, then I'll go
'Cos you know, questions are never that easy
And never the same
If you have the answers believe me
If you have the faith so find a way..

Time may come and time may go, I know
And if you should call out for me, then I'll go
'Cos you know
There is a code to be broken
I wrap it around
Without a word being spoken
Without a sound
