

Can't Find The Main Road

Tekst og musik : Jette Torp

It's 4 o'clock in the morning
And the rain keeps pouring down
It seems like it's been going on
Since that day you left the town

It's almost been a year now
Since we agreed to stop the fights
And packed our hearts and other stuff
To be living separate lives
Living separate lives

But it seems I can't find the main road out of here
It seems I'm stuck at a crossroad between loneliness and fear
And even though my mind's made up
And I am running out of tears
It seems I can't find the main road out of here

And last night, making tapas
I called you on the phone
And asked if you'd come over
But you said you'd like to be alone
I thought I heard somebody
Moving around in your room
And finally I realized
This being apart is for good
It is all for good

But it seems...

It's funny how some stories end
It's like opposite signs
And the one who wanted to break up
Ends up being left behind

But it seems...
