

# PAST THE POINT OF RESCUE

*tekst og musik: Mick Hanly (IR)*

Last night I dreamed you were back again  
Larger than life again, holding me tight again  
Placing those same kisses on my brow  
Sweeter than ever now, Lord I remember how  
I couldn't get enough of kissing  
Do you know how much I'm missing?  
No you don't, but I do

Days like a slow train trickle by  
Even the words that I write refuse to fly  
All that I can hear is your song haunting me  
I can't get the melody out of my head you see  
Distractions I've been using  
Do you know how much I'm losing?  
No you don't, but I do – oh yes I do

I wonder if I'm past the point of rescue  
And is no word from you at all the best that you can do  
I never meant to push or shove you  
Do you know how much I love you?  
No you don't, but I do.

Last night I dreamed you were back again  
Larger than life again, holding me tight again  
Placing those same kisses on my brow  
Sweeter than ever now, Lord I remember how  
I couldn't get enough of kissing  
Do you know how much I'm missing?  
No you don't, oh but I do – oh yes I do

I wonder if I'm past...
