

Rainbow

Tekst og musik Michael Kolster

I wanna keep you for myself
I wanna keep you in-between my four walls
Hey you, I wish you never want to leave this house

I wanna make it on my own
But on the other hand I don't know what to do
Since you have put a spell on me

You're like a rainbow
Everywhere shining down on me
And like a rainbow
You can go on and on
You're like a rainbow
Everywhere shining down on me
And like a rainbow
You're here and then you're gone

From every corner of the world
I feel it coming like a shower in a tub
Hey you, your love is falling hard on me

And I see colours everywhere
No matter where you go and where I am
Since you have put a spell on me

You're like a rainbow..

I still believe
We're forever
Meant to be walking
On the sun
