

You've Got A Friend

Tekst og musik Carole King

When you're down and troubled
And you need some love and care
And nothing, nothing is going right.
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.

You just call out my name,
And you know where ever I am
I'll come running
To see you again.
Winter, spring, summer or fall,
All you have to do is call
And I'll be there yes I will
You've got a friend.

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow.
Keep your head together and call my name out loud
And soon you'll hear me knocking at your door.

You just call..

Now ain't it good to know that you've got a friend?
When people can be so cold.
They'll hurt you yes and desert you.
And they will take your soul if you let them.
Oh but don't you let them.

You just call..
